Redemption

Prior to February 4, 2027 (the “**Par Call Date**”), the Series 16-A2 Notes may be redeemed, in whole or in part, at the option of the Company at any time, upon not less than 30 days’ and not more than 60 days’ notice to the holders of the Series 16-A2 Notes to be redeemed, and upon deposit of the redemption price plus any accrued interest to, but excluding, the redemption date with the Trustee or CDS Clearing and Depository Services Inc., on the redemption date. The redemption price is calculated as the greater of: (i) the face amount of the Series 16-A2 Notes to be redeemed; and (ii) that price which will provide a yield to the Par Call Date equal to the average of the yields to maturity calculated by two investment dealers, selected by the Company, on the business day preceding the day on which the notice of redemption is given, of a Government of Canada bond with a term to maturity that is similar to the remaining term of the Series 16-A2 Notes to the Par Call Date (calculated from the redemption date) plus 0.28%.

If less than all of the Series 16-A2 Notes are to be redeemed, the Series 16-A2 Notes to be redeemed shall be redeemed on a *pro rata* basis based on the principal amount of the Series 16-A2 Notes held by each holder.

On or after the Par Call Date (three months prior to the maturity date of the Series 16-A2 Notes), the Series 16-A2 Notes will be redeemable, in whole or in part, at the option of the Company at any time, at par, plus accrued interest to, but excluding, the redemption date.

Series Reserve Account

The Series Reserve Account in the Debt Service Reserve Fund (as both terms are defined in the Principal Indenture) for the Series 16-A2 Notes will be an amount equal to one year of Annual Debt Service for the Series 16-A2 Notes, being \$16,499,025.42, which will be pre-funded from the net proceeds of the sale of the Series 16-A2 Notes.

Restrictions on Distributions from General Fund

So long as the Series 16-A2 Notes are outstanding, the Company is prohibited from making any payments from monies in the General Fund which would otherwise be available to make payments on account of Subordinated Debt or distributions to shareholders of the Company, unless the Company delivers to the Trustee the following certificates:

- (i) a certificate from the Consultant certifying that estimated Net Revenues, on the basis of reasonable and prudent projections, assumptions and hypotheses, for the next 12 calendar months will be at least equal to 135% of the Annual Senior Debt Service for such 12-month period;
- (ii) an Officers’ Certificate certifying that Net Revenues for the 12 calendar months most recently ended were at least equal to 135% of the Annual Senior Debt Service for such 12-month period; and
- (iii) an Officers’ Certificate certifying that the Company is in compliance with the financial tests set forth in section 9.4 of the Principal Indenture.

Use of Proceeds

The net proceeds from the sale of the Series 16-A2 Notes will be \$348,470,500, after deducting the agents’ compensation in the amount of \$1,400,000. These proceeds will be used (i) to repay upon

maturity approximately \$289,028,748 in respect of the Company's 5.328% Real Return Senior Bonds, Series 99-A4, due December 1, 2016 (the "**Series 99-A4 Senior Bonds**"), (ii) to fund the \$16,499,025.42 being deposited into the Series Reserve Account in the Debt Service Reserve Fund as described above under "Series Reserve Account", and (iii) for general corporate purposes. A minimum offering amount of \$305,527,773.42 will be required in order for the Company to (i) repay upon maturity \$289,028,748 that will be payable by the Company in respect of the Series 99-A4 Senior Bonds and (ii) fund the \$16,499,025.42 being deposited into the Series Reserve Account in the Debt Service Reserve Fund.

The decision to distribute the Series 16-A2 Notes and the determination of the terms of this offering were made through negotiations between the Company and the Agents set out herein. The Canadian chartered bank affiliates of BMONB, RBCDS and CIBCWM, who are lenders under the Revolving Credit Facilities, played no role in such decision or determination.
